Fruit Tree Care: Pruning, Selection, and Planting

This workshop is back by popular demand!

This is the time of year to prune back those dead branches and shape your fruit trees. As tree doctor Al Shigo stated, "Pruning is one of the best things you can do for a tree and one of the worst things you can do to a tree." Learn correct pruning techniques, what fruit trees thrive best in your area, when to plant, and proper planting guidelines.

Workshop Agenda:

8:45am, **Sign-in**

9:00-10:00am, **Joran Viers with the County Extension Office and Bryan Suhr from UNM will present general methods for fruit tree pruning and varietal selection.**

10:00-10:15am, **Break**

10:15am-12:15pm, **Hands-on experience plant and pruning mature and young fruit trees.**

12:15-12:30pm, **Q& A**

This workshop is develop in partnership with the Bernalillo County Extension Office, Hubbell House Alliance, and with assistance from Erda Gardens and Learning Center
